

The NorCal Critical Care E X P E R I E N C E

Conference, sponsored in part by REACH Air Medical Services, focuses on critical care topics and is designed for nurses, critical care paramedics, respiratory therapists, and physicians.

REACH Air Medical Services is headquartered in Santa Rosa and provides helicopter and airplane patient transportation for critically ill and injured patients from our bases in Concord, Lakeport, Lodi, Marysville, Redding, and Santa Rosa, California, and Corvallis, Oregon.

The REACH Training Institute, established in 2000, provides education across Northern and Central California to more than a thousand nurses, paramedics, emergency medical technicians, physicians, and respiratory therapists each year.

Since REACH's inception in 1987, our teams have performed more than 28,000 air ambulance missions.

Join us for the NorCal Critical Care Experience.
It's sure to be a hot day!
